HISTORY AND HERITAGE

Christ Church College, Kanpur has the glorious distinction of being the oldest college in the city. Established in 1866, it has completed 159 years of supreme educational service and standards. It is presently affiliated with Chhatrapati Shahu Ji Maharaj University, Kanpur. **The National Assessment and Accreditation Council (NAAC) accredited the College in 2022.** We have duly submitted Annual Quality Assurance Report (AQAR) for the years 2023 & 2024 as a requisite for NAAC Cycle-2.

The history of Christ Church College is the story of an institution's continuous strive for excellence. It is a minority co-educational College of the Church of North India (C.N.I.), Diocese of Agra, managed by the Christ Church College Society, Kanpur. Its Governing Body comprises eminent members under the Bishop of Agra Diocese as its Chairman. The history of the College dates to 1837 when a Free School was started, which was handed over to the S.P.G. missionaries in 1861. A Cambridge scholar from England, Rev. S.D. Burrell took charge of the school and renamed it Christ Church School, after Christ Church, located in the same compound.

The college education started in Christ Church School in 1866, with an initial affiliation of the institution to Calcutta University. It was the first academic institution in the city to offer a university education for the First Examination in Arts (F.A.), the then intermediate level. In 1892, the institution was affiliated with Allahabad University. In the same year, university-level courses were introduced in the college. The college got affiliated with Agra University in 1927 and finally with Kanpur University (now Chhatrapati Shahu Ji Maharaj University) in 1966.

Besides its lineage of extraordinary educators, such as the Rev. G. H. Westcott, the Rev. R.G. SEMESTER SYSTEM AT UNDERGRADUATE AND POSTGRADUATE LEVELS

[As per New Education Policy 2020]

Christ Church College, Kanpur (affiliated with Chhatrapati Shahu Ji Maharaj University, Kanpur) has adopted the Semester System in Undergraduate and Post Graduate Courses as per directives of the Higher Education Department, Uttar Pradesh to accelerate the teaching-learning process and enables vertical and horizontal mobility in the learning.

The credit-based semester system intends to provide flexibility in designing the curriculum and assigning credits based on the course content and hours of teaching. The common minimum syllabus has been approved and adopted by the University through the prescribed statutory process as per directives from the UP Government.

The Semester System has the following features:

Academic Year: Two consecutive (one odd + one even) semesters constitute one academic year.

Choice-Based Credit System (CBCS): The CBCS provides a choice for students to select from the prescribed courses (core, elective minor, or skill-based courses). Under the CBCS, the requirement for awarding a degree, diploma, or certificate is prescribed in terms of the number of credits to be completed by the students.

Course: Usually referred to as 'papers' is a component of a program. All courses need not carry the same weight. The courses should define learning objectives and learning outcomes. A course may be designed to comprise lectures/ tutorials/laboratory work/ fieldwork/ outreach activities/ project work/ vocational training/viva/ seminars/term papers/assignments/ presentations/ self-study etc. or a combination of some of these.

Credit Point: It is the product of grade points and the number of credits for a course.

Credit: A unit by which the coursework is measured. It determines the number of hours of instructions required per week. One credit is equivalent to one hour of teaching (lecture or tutorial) or two hours of practical work/field work per week.

Cumulative Grade Point Average (CGPA): It is a measure of the overall cumulative performance of a student in the overall semester. The CGPA is the ratio of total credit points secured by a student in various courses in all semesters and the sum of the total credits of all courses in all semesters. It is expressed up to two decimal places.

Grade Point: A numerical weight is allotted to each letter grade on a 10-point scale.

Program: An educational program leading to a degree, diploma, or certificate.

Semester Grade Point Average (SGPA): It is a measure of the performance of work done in a semester. It is a ratio of total credit points secured by a student in various courses registered in a semester and the total course credits taken during that semester. It shall be expressed up to two decimal places.

Semester: Each semester consists of 15-18 weeks of academic work equivalent to actual teaching days. The odd semester may be scheduled from July to December and the even semester from January to June.

Transcript or Grade Card or Certificate: Based on the grades earned, a graded certificate shall be issued to all the registered students after every semester. The grade certificate will display the course details (code, title, number of credits, grade \secured) along with the SGPA of that semester and CGPA earned till that semester.

ELIGIBILITY FOR ADMISSION:

Admission to all programs is completely online. Register online using the admission portal to get a user ID and password for student login.

ADMISSION to B.A./B.Sc./B.Com. Semester-I shall be based on merit with due weightage/concessions based on norms. ADMISSION to B.A., B.Sc., B.Com. Semester-III/V shall be open only to those who have passed/promoted the qualifying examination from this college as regular students, provided they have NOT engaged themselves in any criminal activity resulting in F.I.R.s or acts of serious/persistent misconduct, lowering the reputation of the College or disturbing its peaceful atmosphere.
